Dear Vinson:

It just doesn't seem like enough to say 'thanks' for all of your hard work and effort on the recent Andersen Consulting event.

We definitely put together a first rate team for this event and your contribution to the success of this program is no exception. Your flexibility during the planning process, prompt responsiveness, and positive attitude throughout was greatly appreciated.

It's refreshing to work with companies like Just Jazz because we can count on quality. Due to the preparedness on your end, I was able to focus more fully on the operational elements of the event.

Thank you again for all of your efforts. It was a pleasure working with you and your crew and we look forward to working with you on future programs in New York.

With best regards,
